FULL-COLOR LEDGER-SIZE WORKGROUP DOCUMENT SYSTEMS

Sharp’s new MX-2640N/3140N/3640N color series document systems combine the simplicity of touch-screen menu navigation with robust multi-tasking workflow features that can help virtually any office accomplish more in less time. A large 10.1” (diagonally measured) high-resolution, tilting touch-screen display offers groundbreaking real-time image preview with intuitive flick-and-tap editing to help ensure your documents are produced accurately and without waste. This new series also offers many advanced features such as a fully customizable home screen, dynamic action menus that provide feature-specific guidance, and a full-size retractable keyboard for easy data entry. Plus, with Pantone® licensing, these models offer unprecedented levels of color fidelity — combined with true 1200 x 1200 dpi print resolution, they can help your business produce professional-looking color documents in-house with breathtaking image quality that is also economical. The new MX-2640N/3140N/3640N color series has been built on the latest Sharp OSA® development platform, making integration with network applications and cloud services easier than ever. And with Sharp’s industry-leading security platform with standard 256-bit data encryption and overwrite protection, you can rest assured that your intellectual property is well protected.

Advanced features plus multi-functional capability allow you to meet tomorrow’s document needs today.

- Large 10.1” high resolution touch-screen display with tilt view
- Real-time image preview feature with flick, tap and slide navigation, and multi-touch pinch-and-zoom capability to shrink and enlarge images
- Fully customizable home screen feature enables users to add custom backgrounds and icons, change the display language and more
- New 500 + 2,000-sheet tandem paper drawer option expands maximum online paper capacity to 6,600 sheets
- Pantone Licensing offers unprecedented levels of color fidelity to the PANTONE MATCHING SYSTEM®
- 1200 x 1200 dpi printing provides clear, crisp images even on jobs with fine detail
- Industry-leading ImageSEND™ function scans both black and white and color documents at up to 50 images per minute to USB devices, network folders, E-mail and more
- Network ready PCL®6 and true Adobe® PostScript® 3™ printing systems with direct print function and available XPS option
- Easy-to-use Document Filing System with thumbnail view and image preview features for easy identification
- Supports the latest Sharp OSA development platform, enabling businesses to easily integrate with network applications and cloud services
- Flexible paper handling system feeds up to 80 lb cover through the paper trays and up to 110 lb cover through the bypass tray
- Super G3 fax option with intelligent inbound routing to multiple destinations
- Supports Sharp’s award-winning security platform with standard 256-bit data encryption and up to 7 times overwrite protection
- Energy efficient belt fusing system offers low power consumption, fast warm up and enhanced print quality

*Some features require optional equipment and/or software.
This page contains detailed specifications for the MX-2640N, MX-3140N, and MX-3640N copiers. The page includes information on features, specifications, and accessories. It covers topics such as copy resolution, hard disk drive, memory, CPU, memory, Scan modes, B&W Super G3 Fax kit, network printing system, direct printing, copy system, paper feeding, paper sizes, network scanning system, service/functional, power consumption, and accessories. The page also mentions the availability of optional equipment and accessories. The content is detailed and technical, typical of a product specification sheet.
