SHARP₈

ESSENTIALS SERIES MONOCHROME DOCUMENT SYSTEMS

The new benchmark of innovation.

The Sharp MX-M3050, MX-M3550 and MX-M4050 Essentials Series monochrome workgroup document systems offer crisp, high quality output with exceptional ease of use. These new models are designed to provide customers with a seamless, intuitive experience, and the confidence in knowing their jobs will come out right the first time, every time. The new monochrome Essentials Series focuses on value as well as user operability and draws inspiration from the latest networking and imaging technologies available today, all to create a document system that delivers the productivity you need, with the reliable performance you want.

Key Features

- **Ease of Use** Sharp's customizable touchscreen display offers a user-friendly graphical interface with a clean design, simplified Easy Modes and integrated operation guides.
- Integration Available Sharp OSA[®] modules enable easy integration with network applications and cloud services, which can unlock advanced capabilities to help you better manage your workflow.
- Productivity Standard full multifunction capability out-of-box, including copying, PCL[®] 6 network
 printing and color network scanning, combines with an easy-to-use graphical interface and a fast
 warm up time so users can spend less time at the MFP and more time on their business at hand.

Provides up to six paper sources for a maximum paper capacity of 6,300 sheets.

Available compact inner finisher staples your output without increasing the footprint of the machine.

Sharp's ImageSEND[™] feature provides one-touch distribution to email, cloud applications and more.

A flexible design plus multifunctional capability to deliver performance and productivity.

- Standard 100-sheet reversing single-pass document feeder scans documents at speeds up to 80 images per minute (ipm).
- Flexible paper handling system supports media up to **110 lb. cover (300 gsm)** and up to **12" x 18"** through the paper trays, allowing you to print on a wide variety of media.
- Large 10.1" (diagonally measured) customizable touchscreen display with a clean design enables easy access to features and functions when setting up jobs.
- 600 x 600 dpi printing provides clear, crisp images and enhanced clarity for fine details such as small text and graphics.

- Network-ready PCL 6 and available true Adobe[®] PostScript[®] 3[™] printing systems combined with available DirectOffice[™] technology lets you direct print PDFs, select Microsoft[®] Office formats and more!
- Available wireless networking feature can connect directly to your network or to mobile devices for convenient printing and scanning with the Sharpdesk[®] Mobile App.
- Available **Optical Character Recognition** (0CR) function can convert scanned documents to text-searchable PDF format, Microsoft Office file formats, and others.

- Available Compact PDF feature dramatically reduces the file size of most color scanned documents, resulting in decreased network traffic and more efficient use of disk and cloud storage.
- Easily access popular cloud applications, including Microsoft OneDrive[®] for Business, SharePoint[®] Online and Google Drive[™] with Sharp's available Cloud Connect features.
- Direct print Microsoft Word, Power Point[®] and Excel[®] files from thumb drives, cloud applications, network folders and more with the optional Direct Print Expansion Kit, enabled via DirectOffice technology.

Main Specification MX-M3050/M3550	/ Base models include multitasking controller, 100-sheet RSPF	Main Specification Network Protocols	TCP/IP (IPv4, IPv6, IPsec), HTTP/HTTPS, IPP/IPP-SSL,
M4050	and PCL 6 printing systems, network scanning, auto duplexing,		FTP/FTPS, SNMPv3, SMTP/SMTP-SSL, POP3/POP3-SSL,
	1 x 550-sheet paper drawer, 100-sheet bypass tray.		LDAP/LDAP-SSL, 802.1x for Windows and Unix.
Туре	Multi-function digital document system	Network and	Includes IP/MAC address filtering, protocol filtering, port
Display	10.1" (diagonally measured) color dot matrix high-resolution	Data Security	control, TLS Encryption, Kerberos support, Active Directory
	touch panel tilting display. 1024 x 600 dots (W-SVGA)		integration, data encryption, End-of-Lease, data overwrite
Functions	Copy, print, network print, network scan, document filing and fax1		(up to 10x), DoD 5220.22-M
Copy System	Dry electrostatic transfer/Dual component developer/Magnetic	Firmware	Flash ROM with local (USB), network update capability
