How to attach the mounting bracket
1. Remove the cash register from its packing carton.
2. When the register is in the vertical position, place it on a nearby surface. To prevent damage, one person should lift the entire register while the other person holds the bottom of the register.
3. Install the mount and allow it to drop over the register bracket. Drive the screws into the back wall through the register bracket holes. Tighten the screws securely.

Maintaining the Cash Register

To prevent damage or injury, observe the following precautions when cleaning the cash register:

• Do not spill any liquids on the cash register.
• Do not use any harsh or abrasive detergents to clean the cash register.
• Do not use any cleaning solvents or chemicals to clean the cash register.
• Do not use any alcohol or alcohol-based solvents to clean the cash register.

Storage

When not in use, wrap the cash register and store it in a cool, dry place. Do not place the cash register in direct sunlight, on the floor, or near water or moisture. Do not store the cash register in a damp or humid environment. The cash register may be damaged if stored in such conditions.

Cleaning

Use a soft, dry cloth to clean the exterior of the cash register. Wipe the display with a soft, dry cloth. Do not use any solvents, cleaning agents, or detergents to clean the display. Do not use any alcohol or alcohol-based solvents to clean the display.

Replacing the Batteries

1. When the batteries are properly installed, the display will show the word “Batteries.”
2. Press the key assigned to the battery level indicator. The battery level indicator will be displayed.
3. Install three new “AA” batteries into the battery compartment.
4. Close the battery cover.

Replacing the Ink Roller

1. Install a new ink roller.
2. Turn it counterclockwise to remove it from the cash register.
3. Pull it out and replace it with a new ink roller.
4. Close the ink roller cover.
